## Please Remember

Please have your trash out at the road the night before your pick up day. Pick up times may vary due to weather, holidays and other unforeseen circumstances.

We pick up bagged household trash only on your regular pick up day. Other items can be picked up as an extra haul for an additional charge.

All bags MUST be tied. Untied or torn bags will be left.

If you have dogs that are or get aggressive with our drivers your trash will be left. (This is for the safety of the driver.)

Please do not make the bags too heavy. If they are too heavy they will be left.

We do not pick up contractor bags or drum liners on the regular route. These can be picked up as an extra haul for an additional charge.

Please do not put BLEACH, PEPPER, AMMONIA, or any other CHEMICALS on your bags. Bags with these items on them will be left. (This is for the safety of the driver.)

We cannot pick up tires, batteries, paint, chemicals, brush, grass clippings or carpet.

We cannot pick up animal carcasses/skeletons or animal/fish remains. Bags with these items will be left and not picked up.

For us to pick up kitty litter it needs to be double bagged and in small bags. Separate it from your household trash. DO NOT MAKE BAGS HEAVY.

Boxes need to be flat and bundled together.

Please label boxes or bags that contains broken glass or sharp objects. (This is for the safety of the driver.)

Payments are due the 1<sup>st</sup> day of the month. If your payment has not been received by the 10<sup>th</sup> of the month a \$5.00 late fee will be added to your account. Your service will be suspended if payment has not been received by the 15<sup>th</sup> of the month.

There will be a \$30.00 charge on any returned check.

Around holidays always check your statement, our website, Facebook or our answering machine for any changes that need to be made to your pick up day.
