## Please Remember

Please have your trash out at the road no later than **4:00AM** on your pick up day, unless I advise you to put it out earlier or put it out the night before. I recommend using trash cans/bins to secure your trash till the truck gets to your stop. I also recommend putting reflective house numbers on your trash cans or make sure both sides of your mailbox has your number on it, so the driver can locate your stop easier. Pick up times may vary due to weather, holidays and other unforeseen circumstances.

We pick up bagged household trash only on your regular pick up day.

All bags **MUST** be tied. Untied or torn bags will be left.

We **DO NOT** pick up contractor bags or drum liners.

Please **DO NOT** put BLEACH, PEPPER, AMMONIA, HOT SAUCE, PINE OIL or any other CHEMICALS on your bags. Bags with these items on them will be left. (This is for the safety of the driver.)

Please **DO NOT** make the bags too heavy. Heavy bags will be left for re-bagging.

Boxes need to be folded flat and bundled together. Please **DO NOT** put loose trash in boxes.

Your rate is based on 33 gallon bags (if you only use 13 gallon/kitchen bags two of these bags equals one 33 gallon bag) and is a per week bag limit. Going over your bag limit (more than a couple bags) will result in a \$3.00 per bag charge. Going over your bag limit multiple weeks will result in an increase in your bag limit and rate.

If you have dogs that are or get aggressive with our drivers your trash will be left. (This is for the safety of the driver.)

We cannot pick up any environmental items including- oil, oil filters, transmission fluid, tires, batteries, paint, chemicals, insecticides or any liquids of any kind. Also, we can not accept any items that contain Freon including (refrigerators, freezers, mini-fridges, wine coolers, water coolers, dehumidifiers or A/C units). We also cannot pickup any gas cylinders including- propane, helium, oxygen, etc. even if the cylinder is empty. The landfill will not accept these items.

We cannot pick up animal carcasses/skeletons or animal/fish remains or any human/animal feces. Bags with these items will be left and not picked up.

For us to pick up kitty litter it needs to be double bagged and in small bags. Separate from your household trash. **DO NOT MAKE BAGS HEAVY.**

**Please LABEL and BOX broken glass or sharp objects. (This is for the safety of the driver.)**

Payments are due on the 1<sup>st</sup> day of the month. If your payment has not been received by the 10<sup>th</sup> of the month a \$5.00 late fee will be added to your account. Services may be suspended if payment has not been received by the 15<sup>th</sup> of the month. Habitually late customers may have services suspended on the 1<sup>st</sup> day of the month if no payment is received (you will receive a letter informing you of this change). Past due accounts **MUST** be paid before 3pm the day before your scheduled pickup day, if not your trash will be left. There will be a \$20.00 re-activation fee added to any account closed due to suspension due to non-payment.

There will be a \$30.00 charge on any returned check.
